

E-Tee reduced Code 175

Advantages & attributes:

The new E-tee reduced innovates with the well-known features in AGRU quality:

- Fully embedded heating wire – easy to clean, safe installation.
- Generous heating- and cooling zones for perfect welding results.
- Excellent shrinkage behaviour during the welding process – closes the gap between pipe and fitting and applies the required welding pressure.
- Point load resistant and suitable for installation without sand embedment due to PE 100-RC material.
- Full component traceability.
